

2021 StoryMode Independent Short Film Awards

AUGUST 28TH

SISFA is an annual film festival that celebrates the power of indie film nationwide. Combining Red Carpet Events, Live Musical Performances, Exciting Films, and an Interactive Live Show, SISFA sets itself apart from other festivals.

At SISFA, we represent indie filmmaking and the arts community in all its glory, inviting filmmakers, musicians, and artists from all around the country to visit Pueblo for several days and experience the city's vast and artistic culture.

We want guests to have the opportunity to partake in the "Best" that Pueblo has to offer: food, hotels, shopping, museums, among other fun events, with the goal of boosting Pueblo tourism and promoting an artistic town.

Over the last three years SISFA has brought in guests from cities such as: Los Angeles, California; Amarillo, Texas; New York, New York; Peralta, New Mexico; and even Las Condes, Chile! Out of eight total events during our 2019 festival, seven completely sold out.

Previous attendees have worked on projects such as:

"It was amazing, well organized, and had the most original award show of any festival I've attended. Pueblo is a great town and they had an awesome venue... I won best script and hope to return next year with a completed film." - Giancarlo Fusi, *Award-Winning Screenwriter (LA)*

"Wish I had more time exploring the town! There are some great historical sites there!"

- David Schatanoff Jr, *Hollywood Producer (LA)*

"Such a positive and amazing aspect for Pueblo! Hearing all the wonderful things people were saying about the event and Pueblo was awesome!"

- Jennifer Koen, *Local Attendee (Pueblo)*

In an effort to make SISFA more of an artists' festival, we strive for community collaboration through the following art forms:

**GRAPHIC DESIGN
PHOTOGRAPHY
FILMMAKING
LIVE MUSIC
POTTERY
DANCE**

With the generous support of these organizations, SISFA continues to thrive into year 11.

Together we can create an event that everyone can say they are "Pueblo Proud" of.
